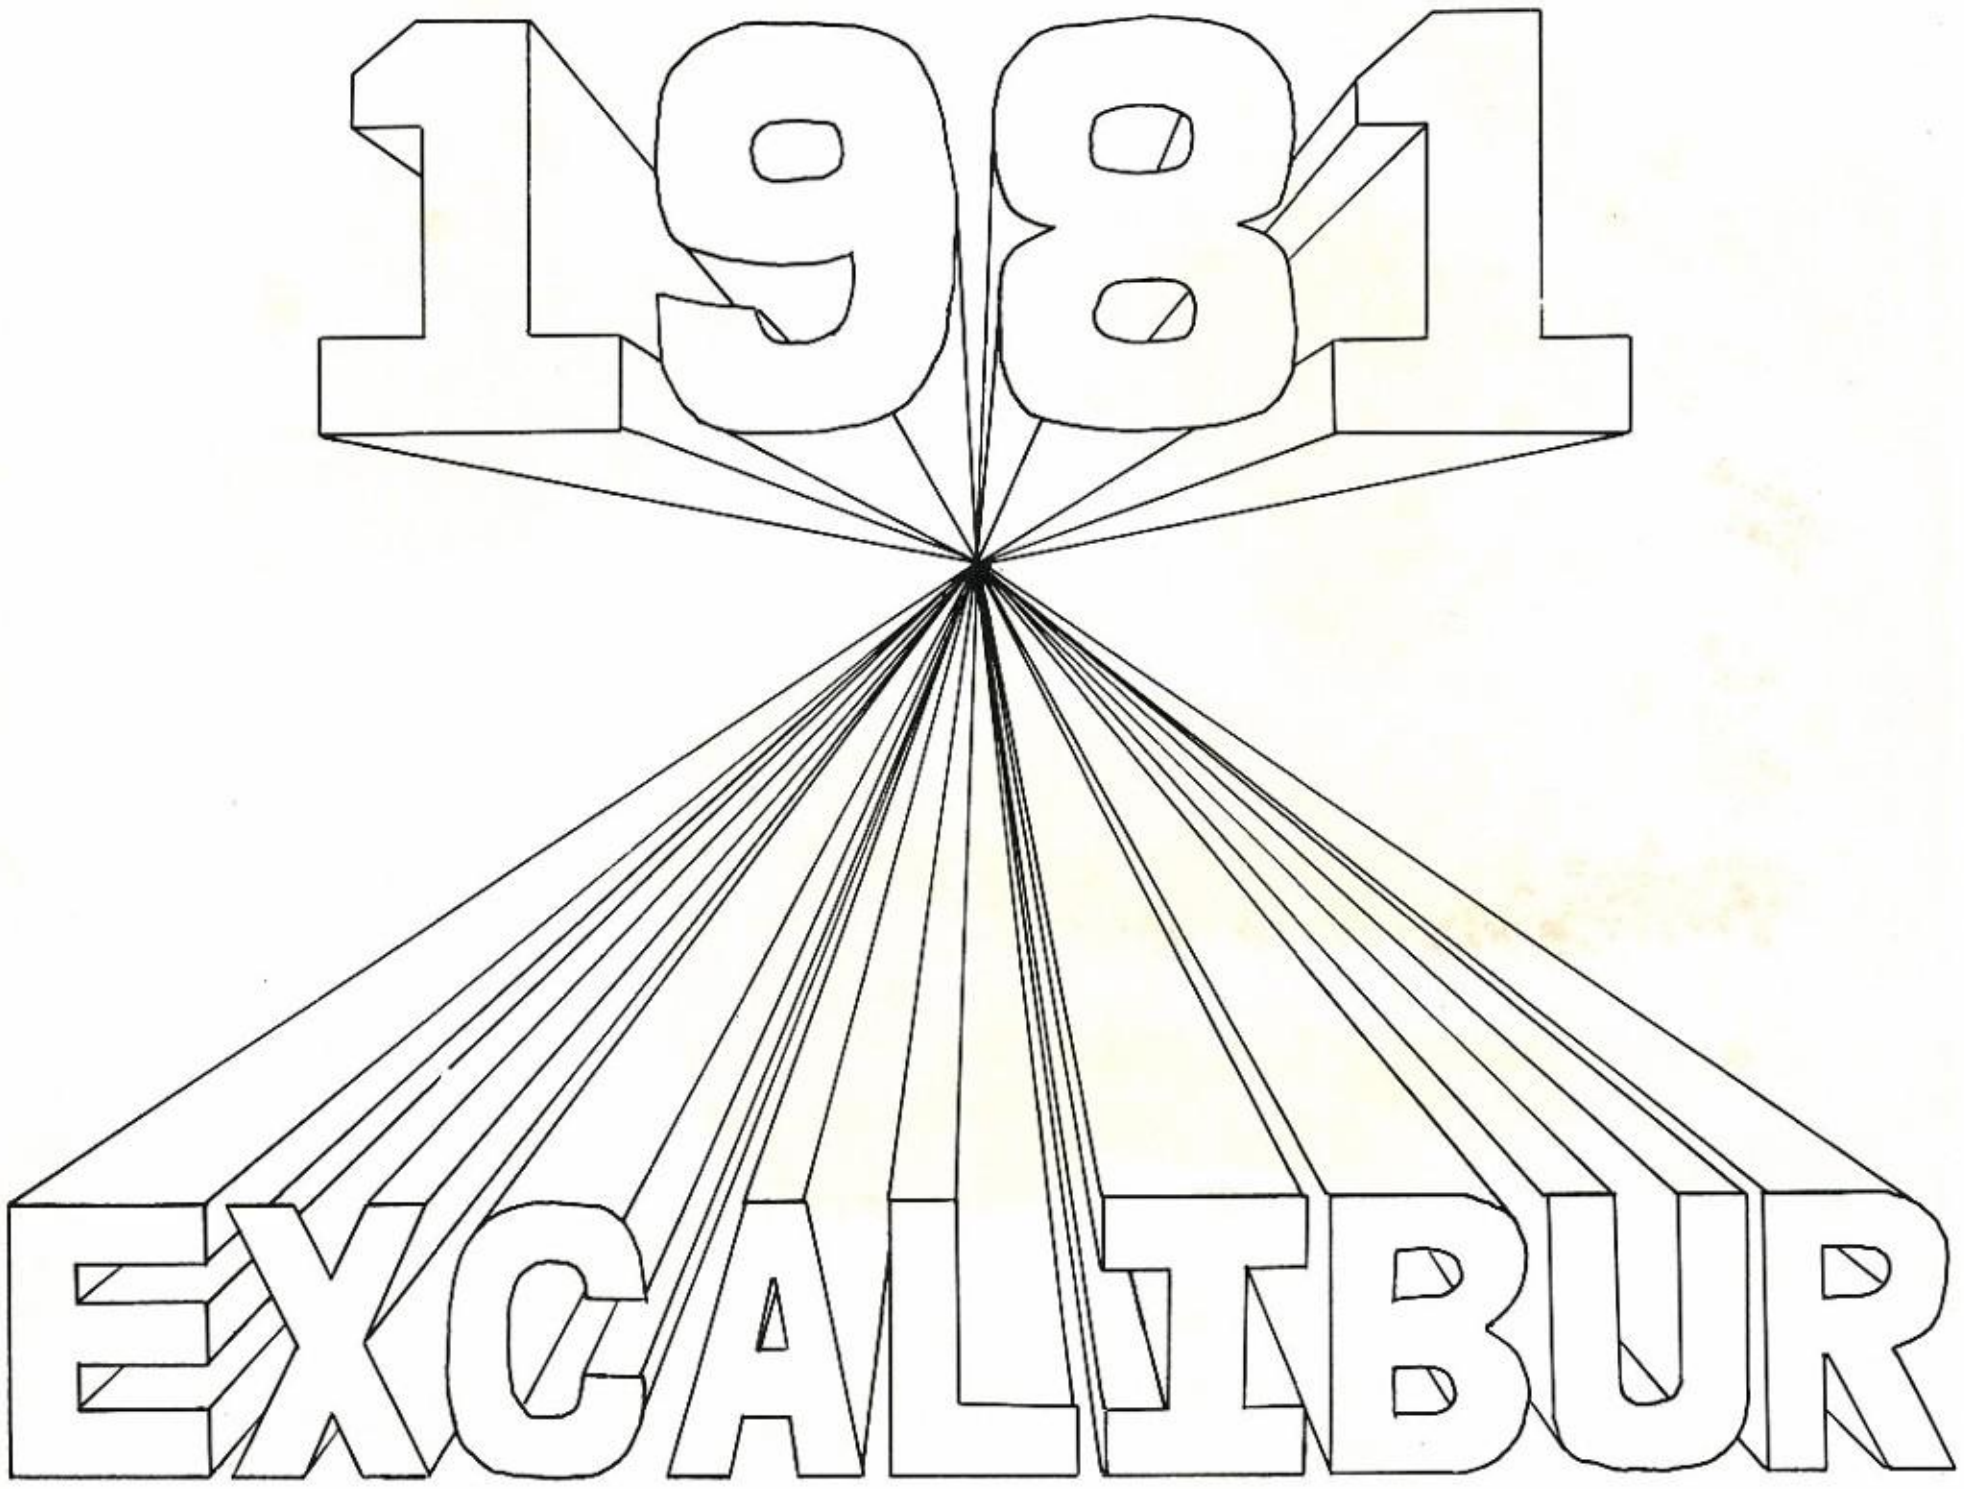
TRUTH

GARLAND CHRISTIAN ACADEMY



GALATIANS 5:16, 17, 22, 23

"This I say then, Walk in the Spirit, and ye shall not fulfill the lust of the flesh. For the flesh lusteth against the Spirit, and the Spirit against the flesh: and these are contrary the one to the other so that ye cannot do the things that ye would. But the fruit of the Spirit is . . .

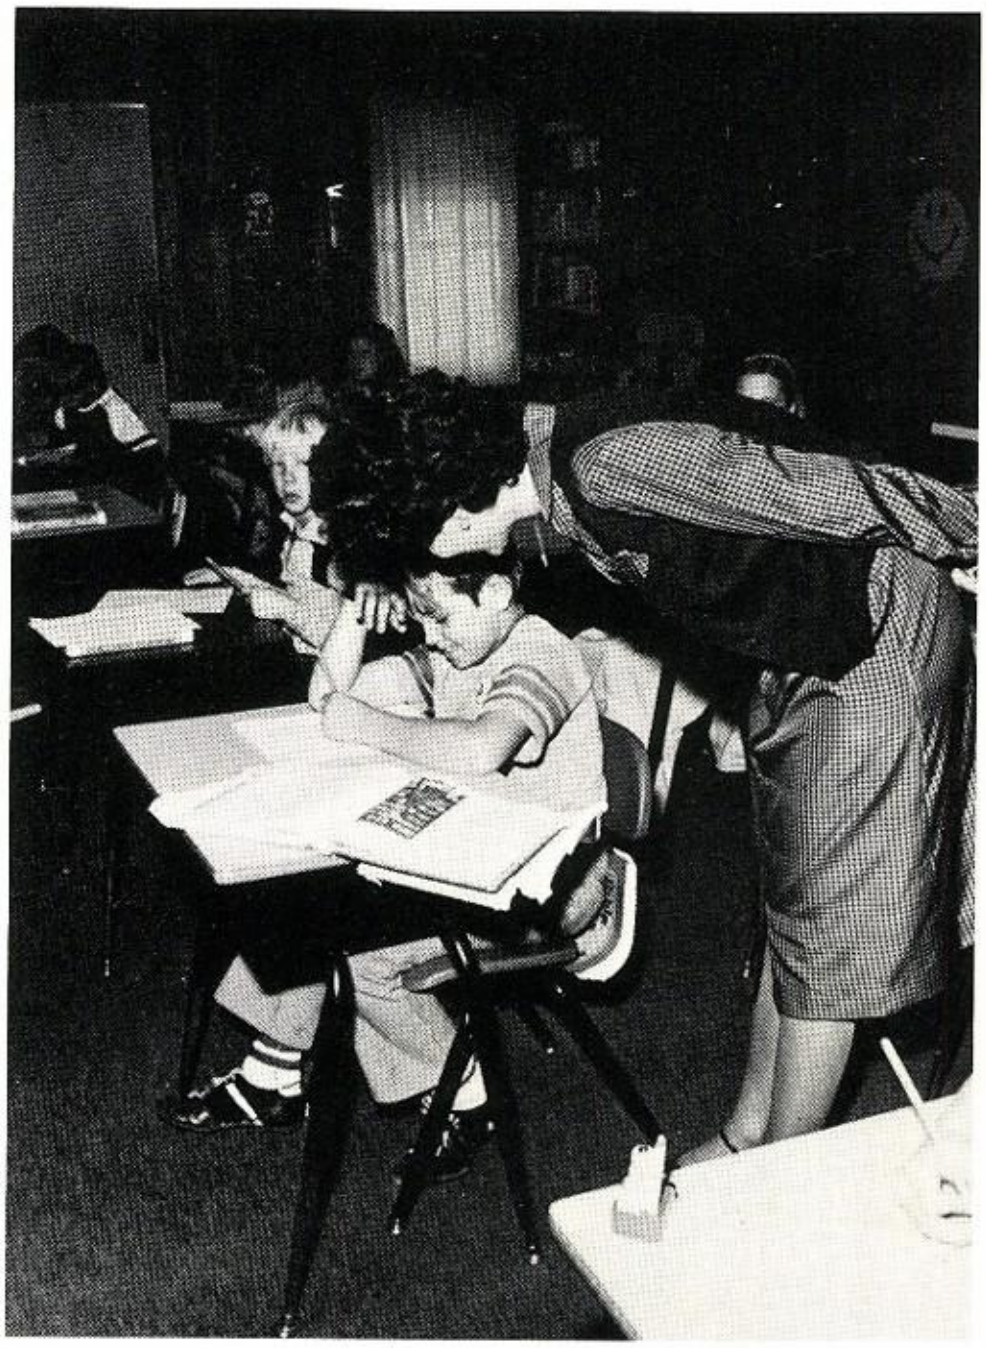
"Love cannot be wasted. It makes no difference where it is bestowed it always brings in big returns."

"Come what may, hold fast to love! Though men should rend your heart, let them not embitter or harden it. We win by tenderness; we conquer by forgiveness."

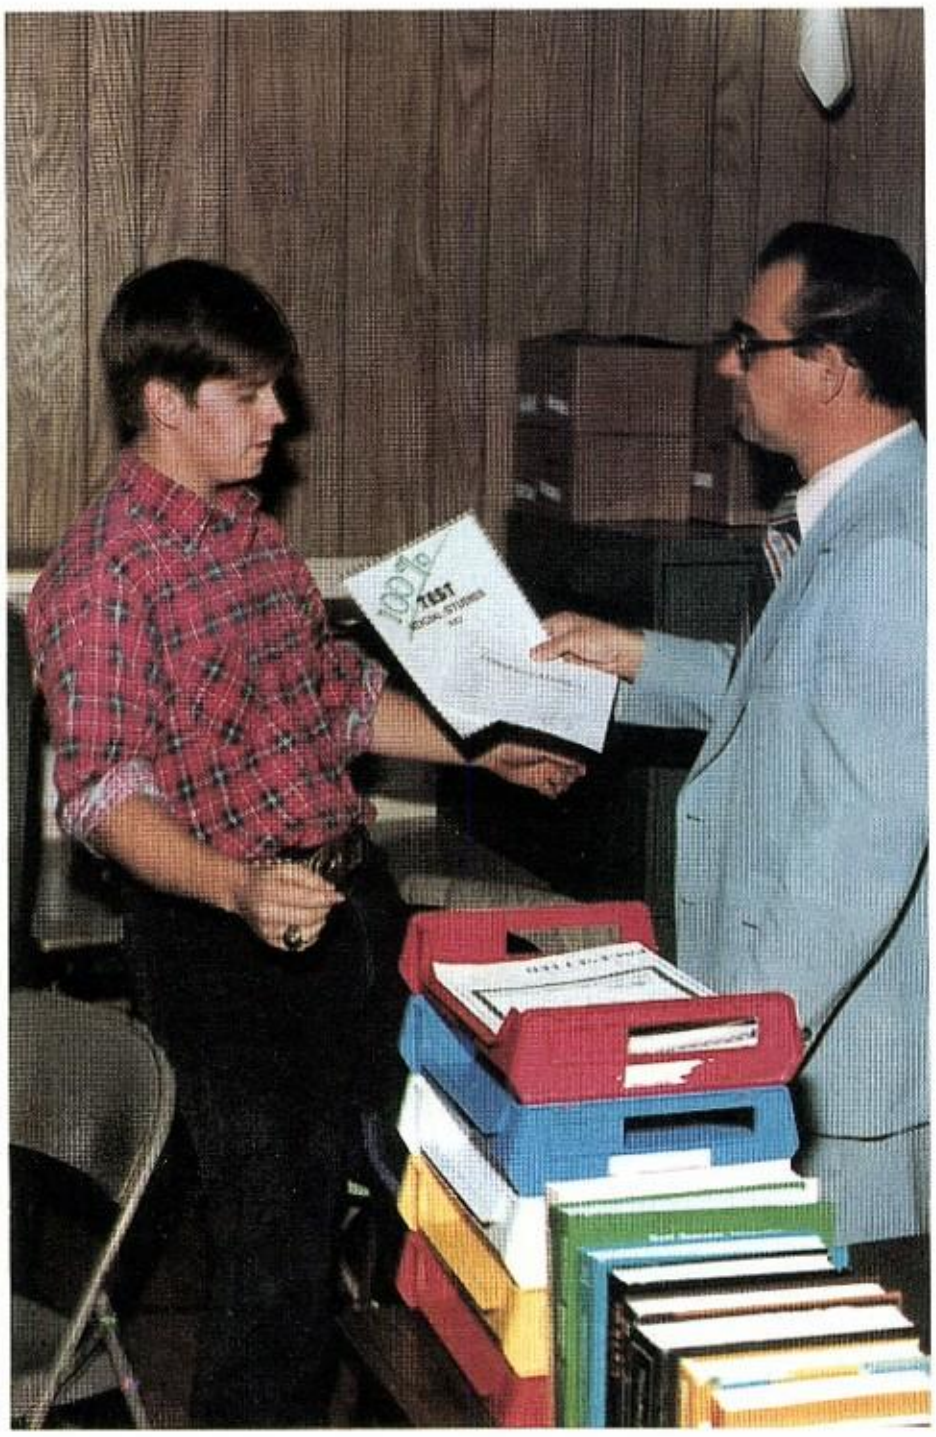


...

J

O

Y



"If we learn how to give ourselves, to forgive others, and to live with thanksgiving, we need not seek happiness — it will seek us."

"The way to be happy is to make others happy. Helping others is the secret of all success — in business, in the arts and in the home."

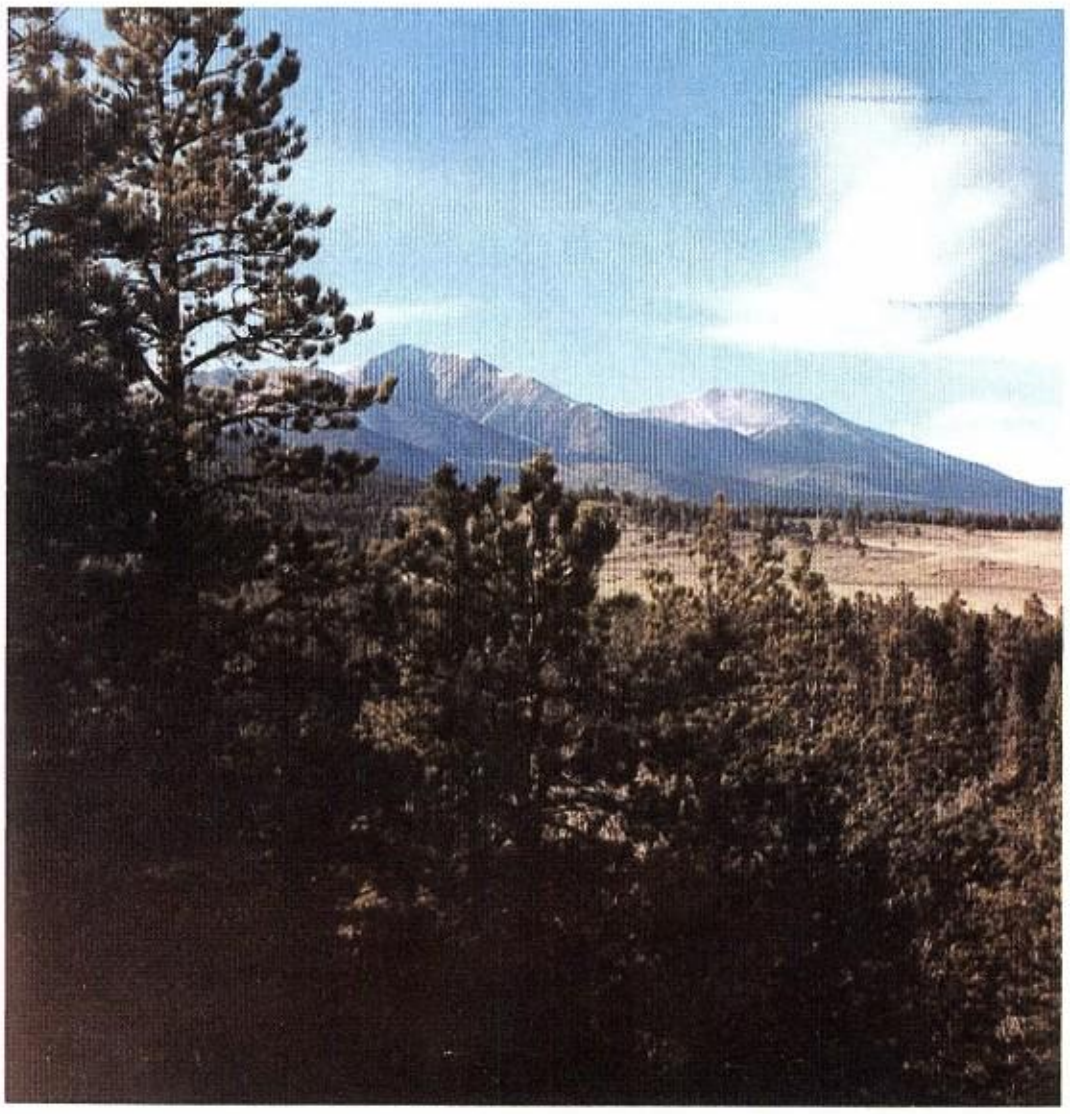
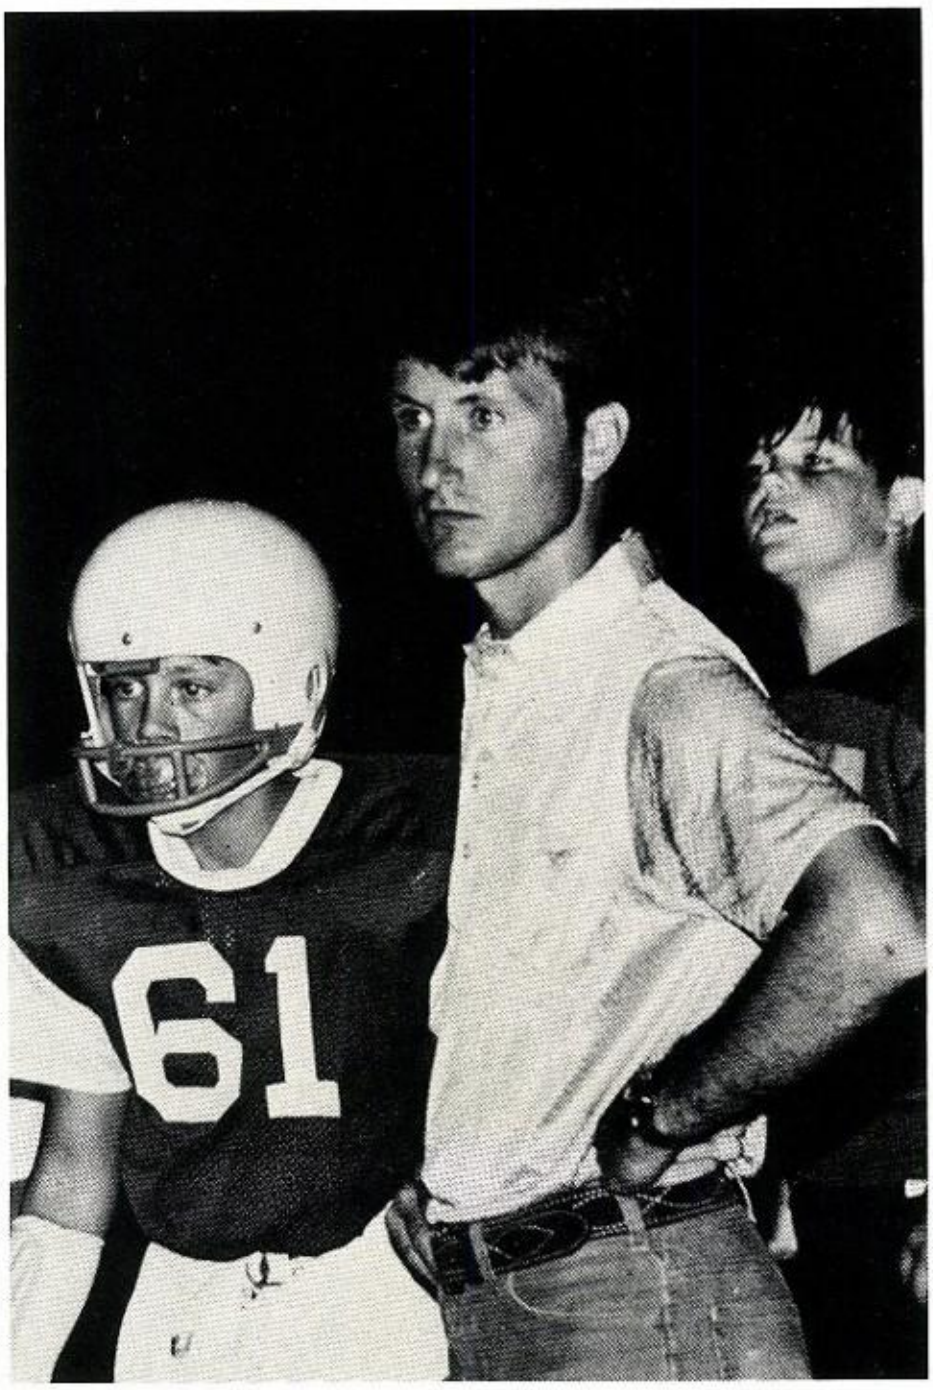
"Life is a voyage in which we choose neither vessel, nor weather, but much can be done in the management of the sails and the guidance of the helm."

"God grant me the serenity to accept the things I cannot change; the courage to change the things I can; and the wisdom to know the difference."



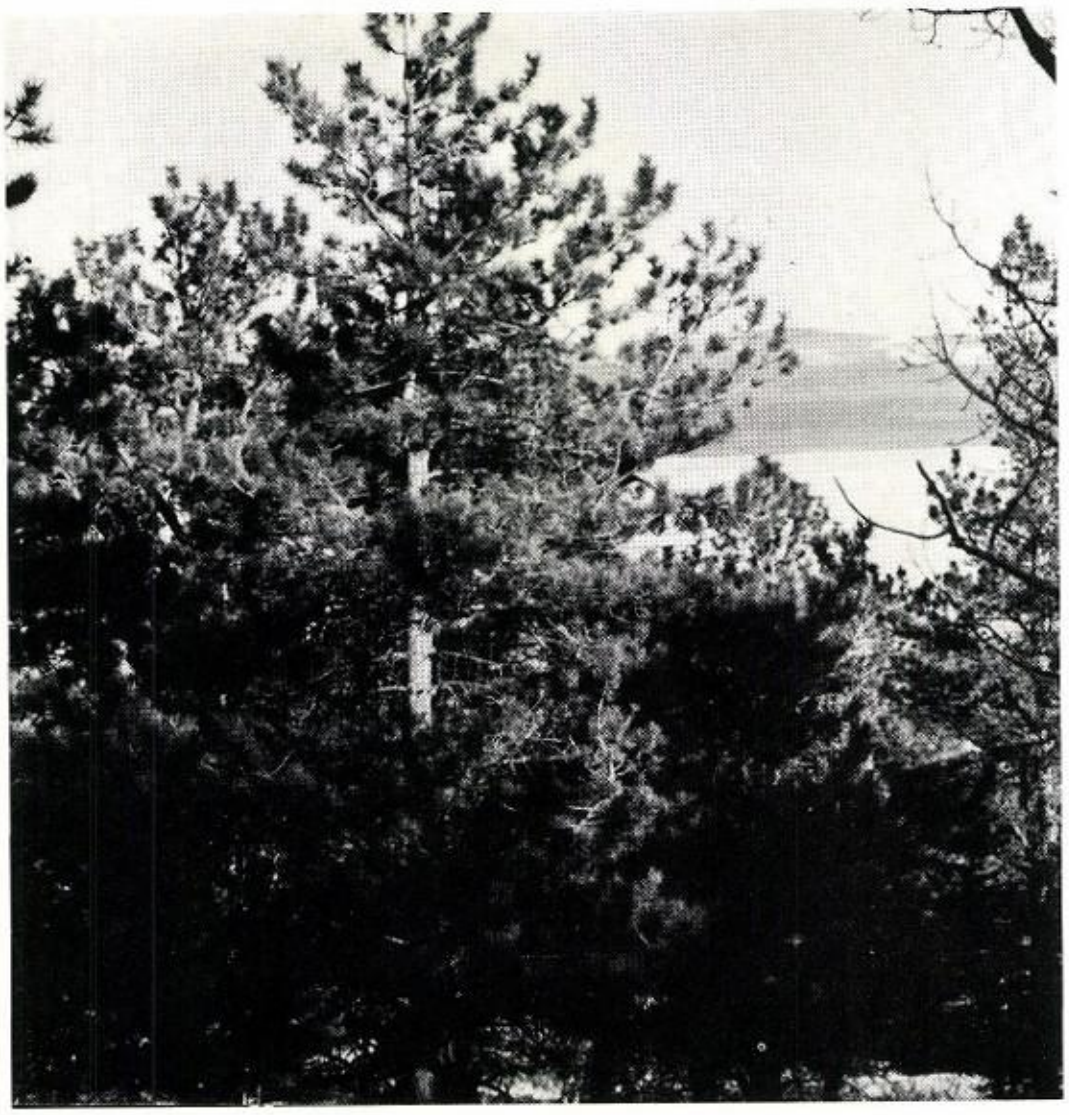
. . .

LONGSUFFERING

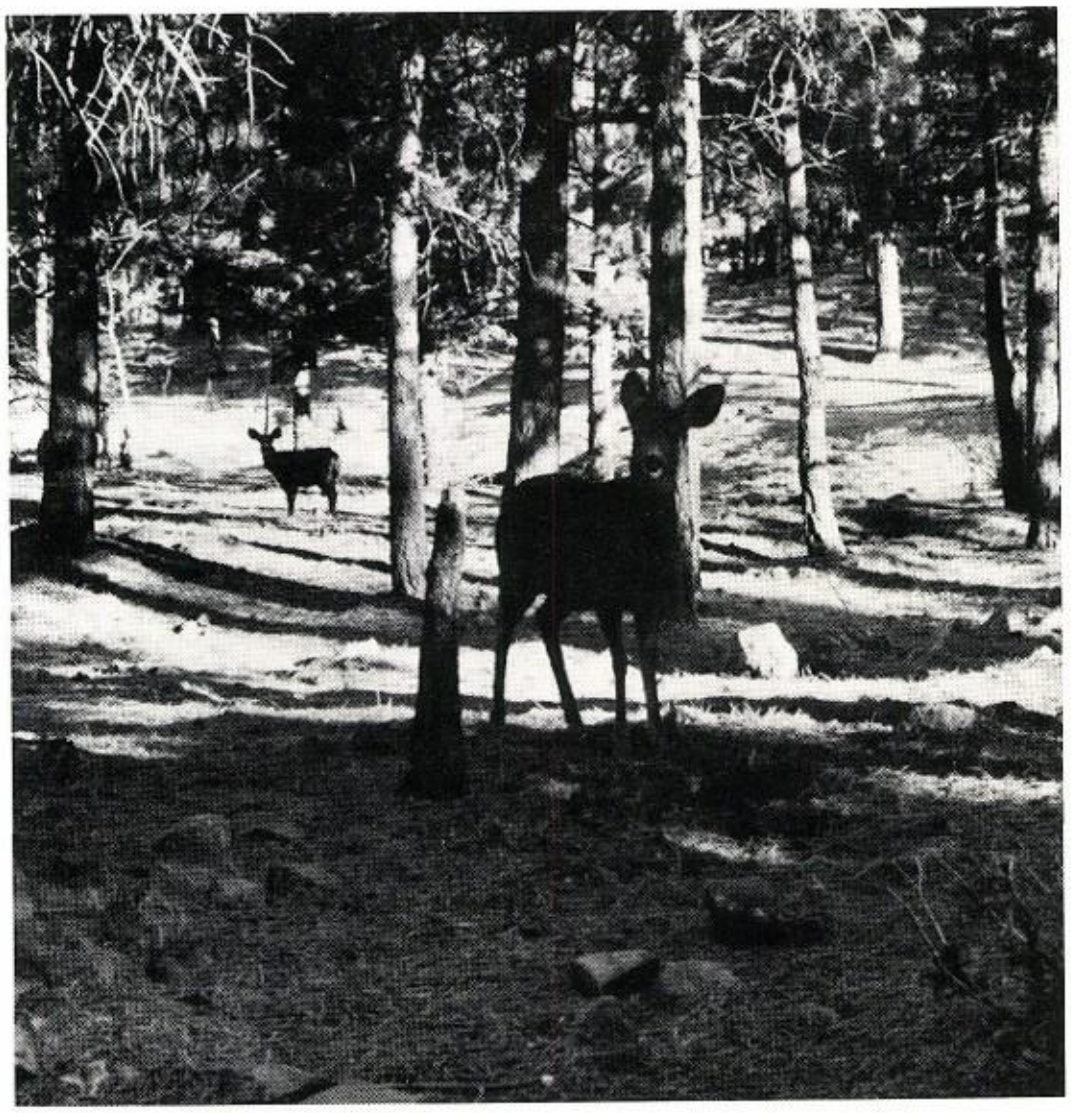


"All problems become smaller if you don't dodge them but confront them. Touch a thistle timidly and it will prick you; grasp it boldly and its spines crumble."

"The door to the room of success swings on the hinges of opposition!"



. . . GENTLENESS



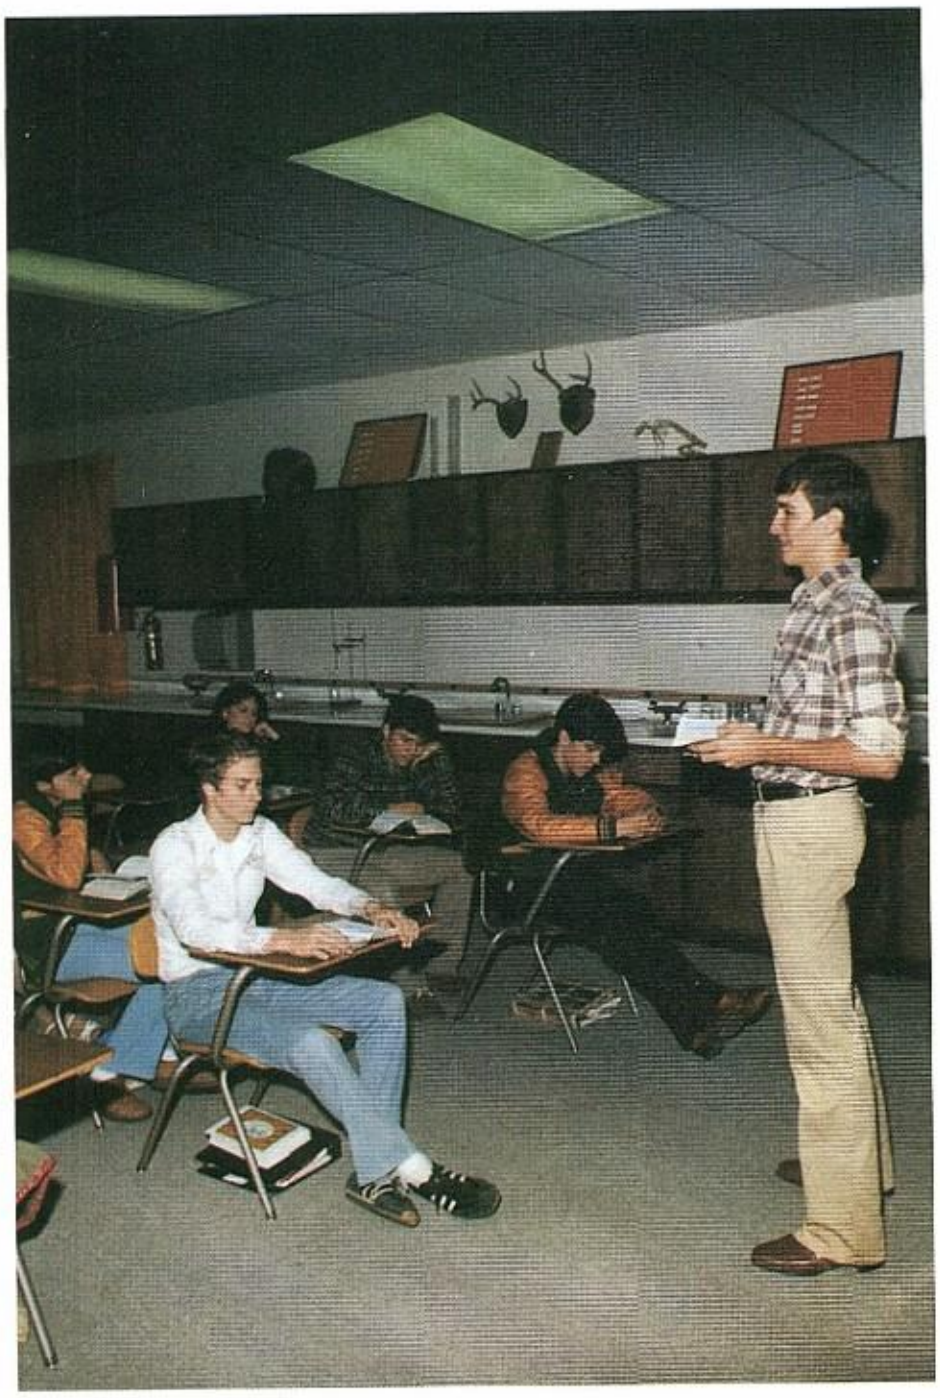
"The blossom cannot tell what becomes of its odor and no man can tell what becomes of his influence and example that roll away from him and go beyond his view."

"Be kind, for every one you meet is fighting a hard battle."

. . .
G O O D N E S S

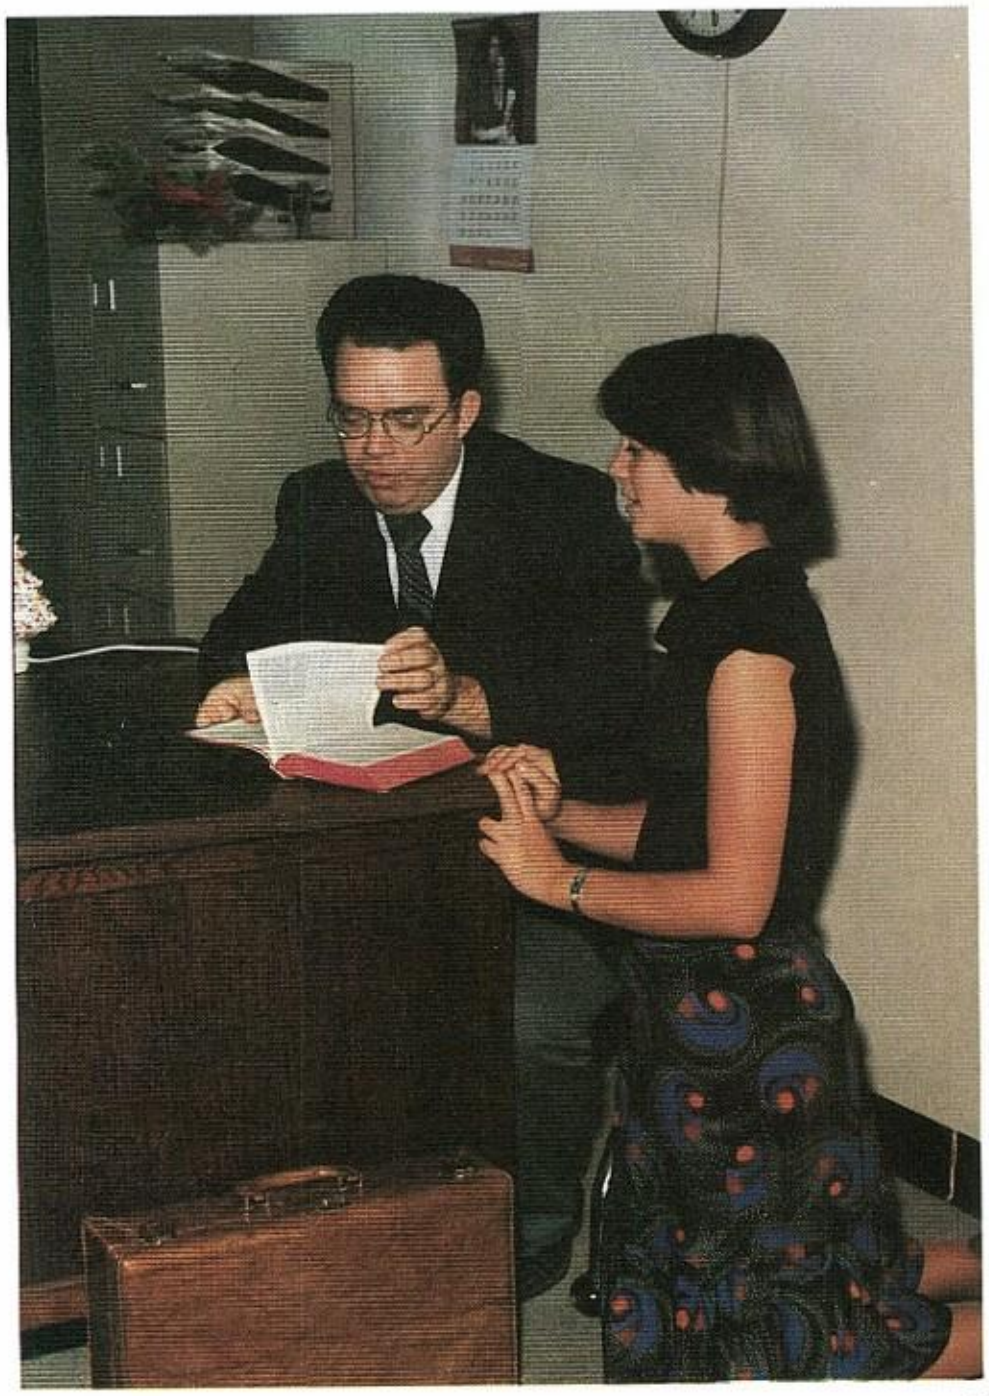
"Good nature will always supply the absence of beauty; but beauty cannot supply the absence of good nature."

"All that is necessary for the triumph of evil is that good men do nothing."



...

F A I T H

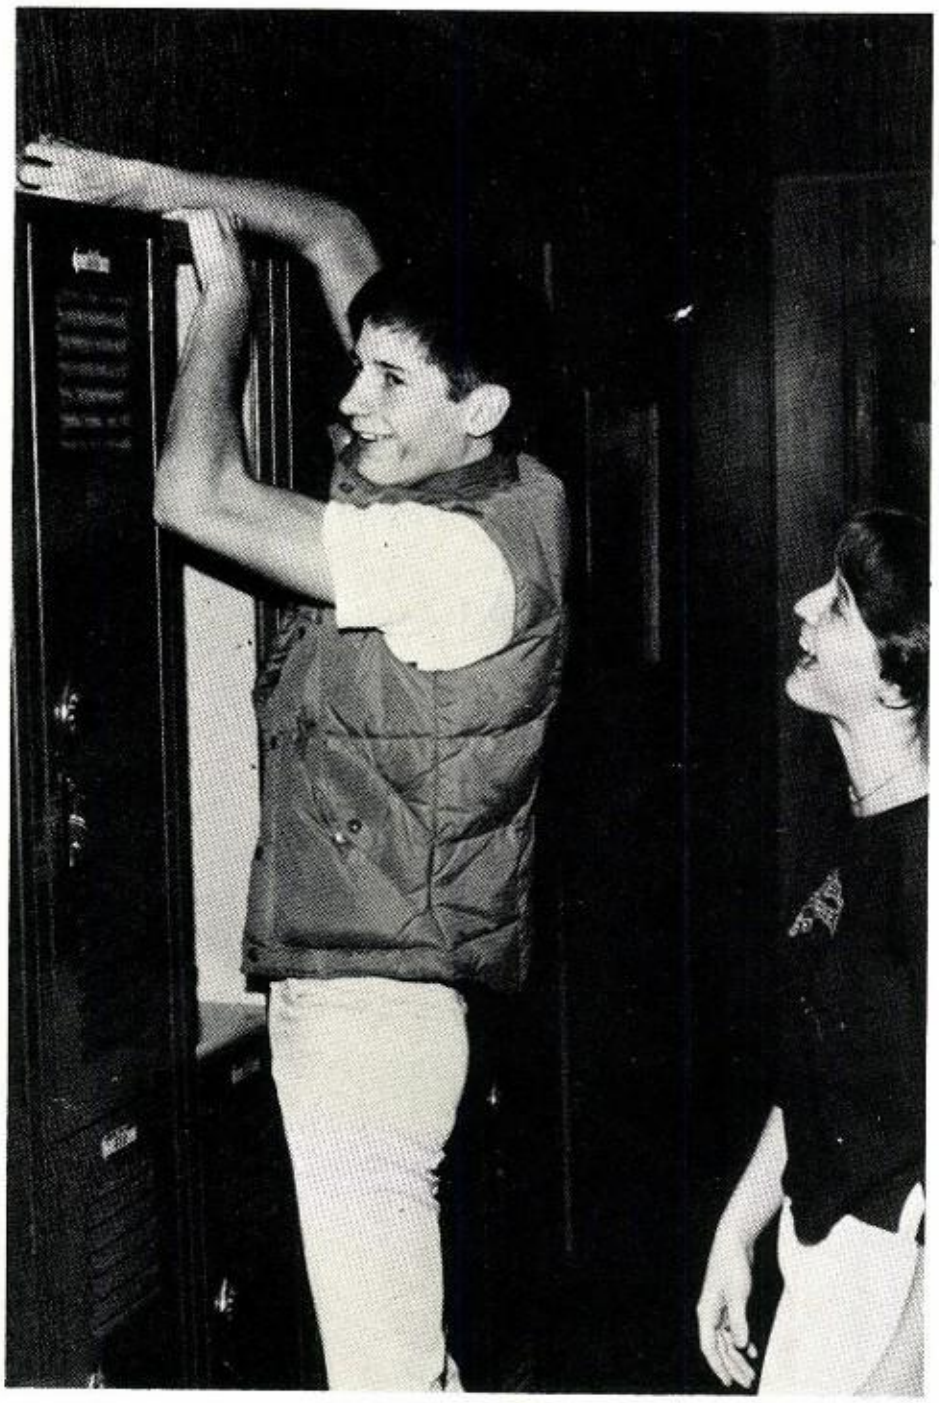


"The best and most beautiful things in the world cannot be seen nor touched but are felt in the heart."

"Be patient enough to live one day at a time as Jesus taught us, letting yesterday go and leaving tomorrow until it arrives."

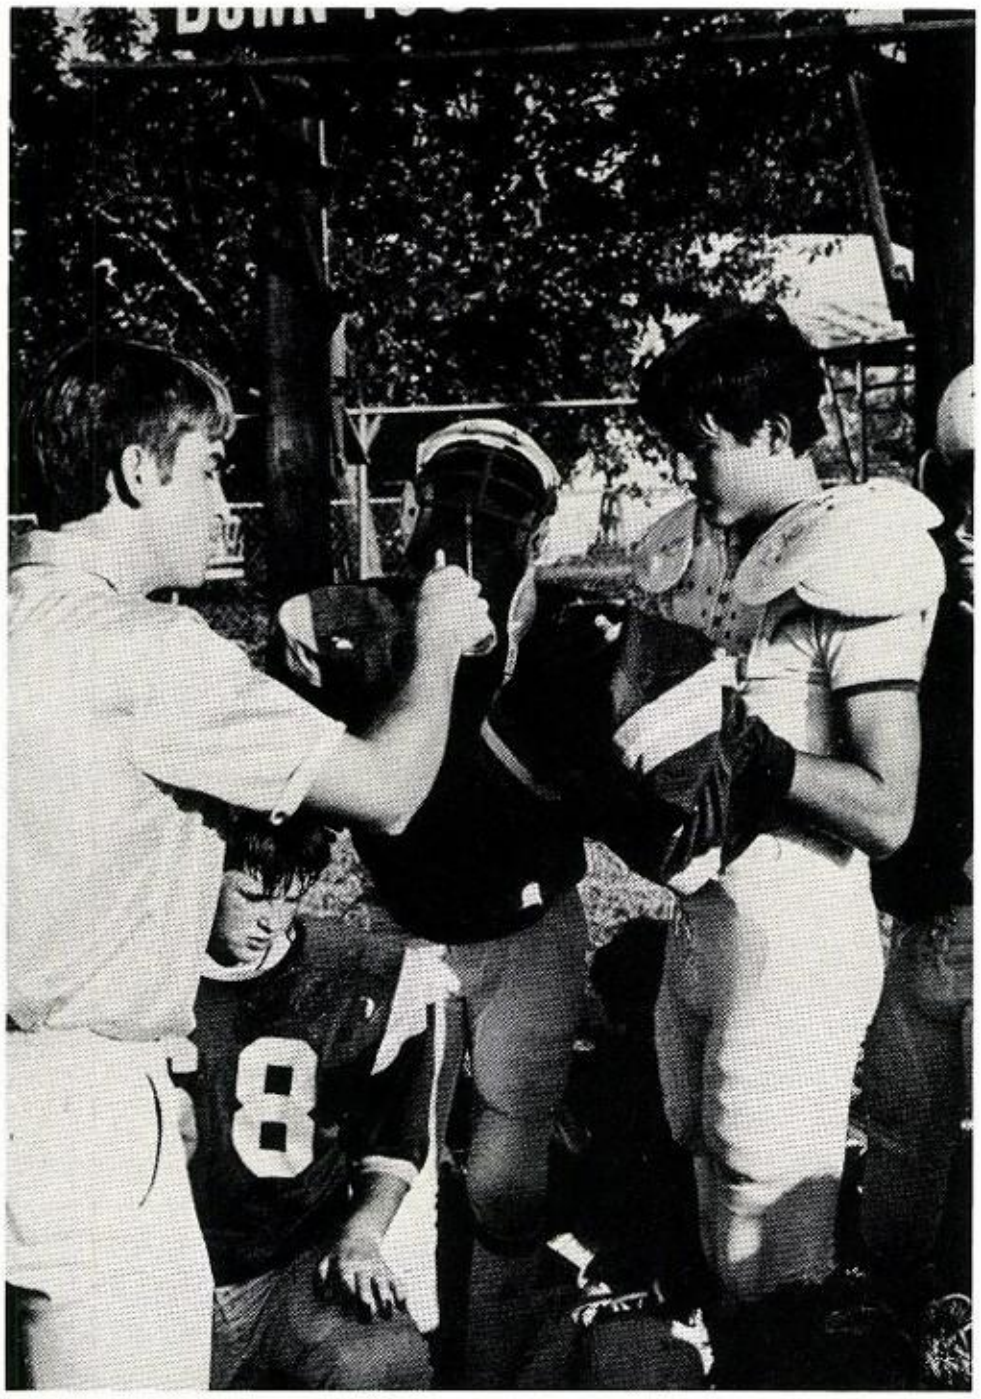
...

MEEKNESS



"Many might have attained wisdom had they not thought that they had already attained it."

"Humility is a strange thing the minute you think you've got it, you've lost it."



. . .

TEMPERANCE

"Sooner throw a pearl at hazard then an idle or useless word; and do not say a little in many words, but a great deal in a few."

"If silence be good for wise men, how much better must it be for fools."

DEDICATION

MR.
H. ASHLEY

"And I have filled him with the Spirit of God, in wisdom, and in understanding, and in knowledge and in all manner of workmanship" . . . and thus the Lord described the craftsman that would help Moses build the tabernacle. Every church and school must have such a man — ours is Brother "H." He is truly a gifted man and one in constant demand. His labor of maintaining our buildings and grounds, repairing broken things and building new things is deeply appreciated by all the students and faculty.

In acknowledgement of his conscientious labor and his ministry unto the Lord we dedicate the 1981 edition of the *Excalibur*.

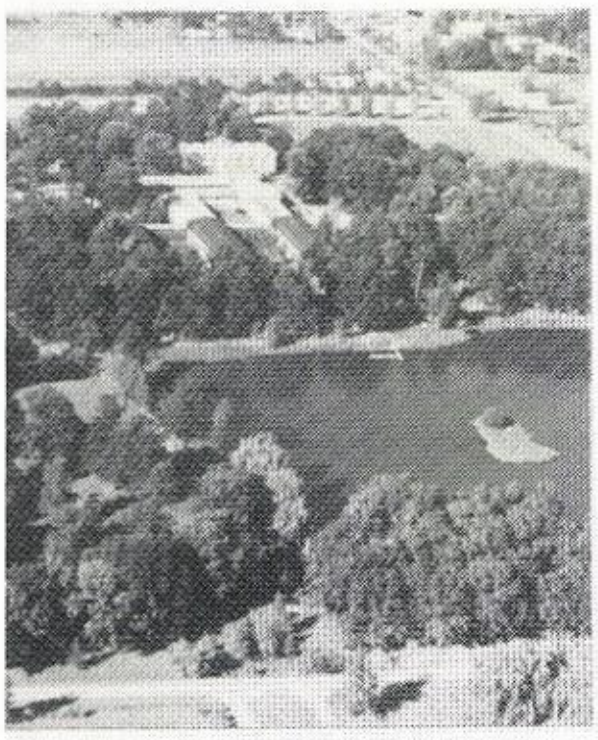
Hyles-Anderson College



Nestled in a beautiful wooded area beside a lovely, campus-enclosed lake lies Hyles-Anderson College. It is away from the rush of city life, and completely self-contained in ten, modern, interconnecting buildings.

A message from DR. JACK HYLES

Congratulations to the graduating class of 1981, Garland Christian Academy! Dr. Coleman and Brother McCartt have more than a full measure of time and energy invested in each of your lives. You can give them no greater reward than to continue your education in the spiritually rich atmosphere of a fine Christian college or university.

Hyles-Anderson College will provide the correct ingredients for your continued Christian growth. We are not only a college of higher learning; we are a big, happy family as well. Over 1800 students who came here in the fall of 1980 can say "Amen" to that. On our quiet, secluded, countryside campus, students study for Pastoral Theology, Elementary Education, Secondary Education, Music Education, Missions, Christian Education, General Studies, Bachelor of Theology, and Master of Education degrees.

From the time you get out of bed in the morning until your last class of the day you don't have to go outdoors unless you want to do so. All eleven modern buildings are interconnected for your convenience. Perhaps you may want to meditate among the trees on beautiful rolling hills – enjoy a leisurely walk around the lake, – or play handball, tennis, volleyball, basketball, baseball, or football on the outdoor facilities. Once you are back indoors you might spend some evening time studying in the giant, carpeted reading room that is air-conditioned for your comfort. When study assignments are completed you can enjoy bowling lanes, or play miniature golf on the outdoor illusion of the indoor miniature golf course that is replete with a miniature lagoon and water fountains. If something less active is your choice, then visit the fine snack shop or shopping center. With all of that country comfort available for your enjoyment, we are still only forty-five minutes from the cultural center of the Mid-West.

You will have the opportunity to learn much from dedicated, experienced professors who love you with a devoted, Christian love. More than that, all the sports, the student activities, and the dating activities are carefully planned and supervised by experts who care about you.

I know that you will feel right at home here — one look is worth a thousand words. I invite you to visit Hyles-Anderson College or to write for illustrated literature.
